IT'S A GO!

The IS Will Be Available For Claiming Beginning April 5, 2010

The Revenue Management Division (RMD) is pleased to announce that after months of planning, testing, and final implementation, the Short-Doyle Phase II (SDII) "gross billing" component will be available beginning **April 5, 2010 at 8 a.m.** This means that any claims that have been entered and "saved" during the last month may now be submitted as claims and all other units of service may be entered and submitted as claims.

There are several new data elements and new claiming rules that will need to be utilized with SDII to ensure successful claiming. Each piece of new information has been identified in separate bulletins on how and when to use the new checkboxes and fields. Please refer to the bulletins as follows:

- ☞ NGA 10-020 – Short-Doyle/Medi-Cal Phase II: New Medi-Cal Share of Cost Obligation Field
- ☞ NGA 10-021 – Short-Doyle/Medi-Cal Phase II: New Pregnancy Indicator
- ☞ NGA 10-023 – Short-Doyle/Medi-Cal Phase II: New Emergency Services Indicator
